SPECIAL NOTICE FOR SCHOOL GROUPS

Continuing this year, schools have the option of *travelling to a festival venue* OR saving you some costs with buses and supply teachers by *having the adjudicator come to your school for small or large group performances*. We hope this will encourage more schools to participate in the Chaleur Music Festival and alleviate some stress. Representatives from the festival committee will be visiting school administrators in January to promote the festival and discuss how this format can work as a special event for your whole school.

REGISTRATION PROCEDURES

1. ****NEW** - All classes now have the option of being competitive or non-competitive and must be indicated on the registration form accordingly by checking box C for competitive or box NC for non-competitive.
2. ****NEW** - ALL duets, regardless if piano, instrumental or voice, have been placed under the larger category of **Small Ensembles**. Please see that section of the syllabus for class appropriate class information.
3. The preferred method of registration is online throughout website www.chaleurmusicfest.ca with electronic payment if possible to chaleurmusicfest@gmail.com
4. It is mandatory to fill out an official registration form for each class in which one participates. A separate form must be used for sight reading.
5. In classes where the age limit is specified, competitors shall not be over the age limit by December 31, 2023.
6. In classes where the age limit is specified, competitors must see that a parent or a teacher signs the entry forms.
7. Each entry must be accompanied with the required entry fee. **No entry will be considered unless accompanied by the entry fee.**
8. Entries will close at midnight, February 16, 2024. Entry forms received or postmarked after this date will be rejected.
9. Entry fees are not refunded, except under circumstances wherein the entry is rejected by the committee.
10. All competition shall be open to non-professional** competitors from francophone or anglophone schools, or a resident of New-Brunswick. A non-professional is defined as a person whose principal means of livelihood is not obtained from musical employment, even if they accept remuneration for musical services rendered occasionally.
**** Professionals (not more than 6) may perform in choral societies, choirs and bands provided they have a regular association playing with the group in question.**

GENERAL PROCEDURES

1. Contestants in non-competitive classes are not required to perform solos from memory.
2. At the local level, it is recommended but not mandatory for contestants in competitive classes to perform solos from memory. **Please note that memorization is required at the provincial level and beyond.**
3. All competitors must provide their own accompanist, if required.
4. Competitors are asked not to follow repeat signs in competition pieces. The only exception to this rule is in the Concert Group category where binary form pieces are used.
5. Competitors (Solo or Group) may not choose any piece to be performed in “own choice” classes that already appears in the syllabus as a set piece.

6. An "Own Choice" or "Concert Group" selection cannot be a movement of a classical sonata or a concerto.
7. "Own Choice" or "Concert Group" selections may be of more advanced level than the competitor's age or grade level.
8. All competitors, classes or individuals, must be in their places and ready to compete fifteen minutes before their time listed in the program. Any competitor who is not ready, with their accompanist (if required), to compete when called by the adjudicator's assistant will be disqualified.
9. The time of each competition and the order of competing will be shown in the program. The program will be available to view on our website www.chaleurmusicfest.ca or a printed copy may be purchased for \$5 at the door.
10. The committee reserves the right to alter the order of performances if necessary. Otherwise, no changes in the final program will be permitted.
11. To avoid disqualification, the contestants or their teachers must provide original sheet music (no photocopies) of all performance pieces to the adjudicator's assistant at least 20 minutes prior to the classes in which they are performing.
12. Competitors are admitted without charge to any sessions by stating their name at the door.
13. No rehearsals in the auditoriums will be permitted during the festival. However, less experienced performers may be given a short opportunity to stand on stage, sit at the piano, or play a couple of notes to familiarize themselves with the equipment and space if time allows.
14. Any participant must be dressed appropriately.
15. The adjudicator's decision in all matters of adjudicating shall be final.
16. If the adjudicator determines a high enough standard has not been attained, the mark in competitive classes can be left blank and comments only would be given.
17. Any cancellations must be made 48 hours before the time set for the competitor's class. Cancellations should be made by communicating with the adjudicator's assistant at the festival or by calling **Rosalind Kennedy Townsend at 506-544-0710**.
18. No competitor, teacher, parent or member of the public is to approach or speak to the adjudicator regarding a competitor, music or any related matter. This may result in disqualification. Necessary questions, information, etc., must be directed to the adjudicator's assistant who will inform or question the adjudicator.
19. Any protest concerning the competition must be put in writing before the close of the festival and shall be dealt with by the executive.
20. Outstanding performers in various classes as selected by the adjudicators and the festival committee will be invited to participate in the final concert.

5. Accompaniment is the responsibility of the competitor and/or their teacher. Limiting the size of any group accompaniment is recommended. Recorded tracks are permissible where no accompanist is available. Sound amplification devices and any accompaniment instruments other than a standard acoustic piano are the sole responsibility of the competitor.
6. Transpositions are permissible to accommodate voice type, but must be indicated on the score that is passed to the adjudicator.

MUSICAL THEATRE PROCEDURES

4. The use of props is encouraged but limited according to the space of the venue. A prop is defined as any single item not normally on stage. Positioning of props is the sole responsibility of the performers.
5. The performance may begin with a spoken [2 minutes or less], dramatized introduction, or an excerpt from the libretto of the show.
6. Choreography is permissible.
7. Piano accompaniment or accompaniment tracks may be used. An acoustic piano will be provided. An electronic speaker to play accompaniment recordings may be used. Speakers and any additional accompaniment needs are the responsibility of the competitor.
